ZEP RESEARCH
"PIONEERING INNOVATION, SHAPING THE FUTURE"

ICEMSS

SUSTAINABLE DEVELOPMENT GOALS

3rd International Conference on
Engineering, Management
and Social Sciences

12TH-13TH DECEMBER , 2025 | GOA, INDIA

ABOUT 3RD ICEMSS

The 3rd International Conference on Engineering, Management, and Social Sciences (ICEMSS) aims to establish a collaborative platform for exploring new dimensions of research. ICEMSS is dedicated to facilitating discussions on the challenges involved in the practical application of cutting-edge knowledge in the fields of Managemen Engineering, and Social Sciences.

The rapid development across the globe has created an increasing need for awareness of the latest trends and knowledge. Continuous advancements in these fields have made it challenging for professionals such as academicians, students, aspiring researchers, and industry experts to keep pace with these changes. This conference is being organized to help participants stay updated and equipped to address these evolving developments.

The conference, taking place on 12th - 13th December 2025 in GOA (Hotel/ University), India, will offer researchers — both experienced and emerging — the opportunity to present their findings to esteemed members of the global scientific community. Regardless of their specific focus within Management, Education, or Social Sciences, ICEMSS will provide them with the exposure needed to gain recognition for their research. Moreover, the event will open doors for new collaborations and further research opportunities.

Theme of the Conference:

"Bridging disciplines, fostering innovation, and addressing global challenges through interdisciplinary research and collaboration"

ABOUT ZEP RESEARCH

Zep Research is a global leader in advancing academic excellence and fostering innovation. Specializing in organizing impactful conferences, research initiatives, and collaboration opportunities, Zep Research creates dynamic environments where researchers, academics, and industry professionals come together to share knowledge, exchange ideas, and collaborate on groundbreaking work across various industries.

With a commitment to providing a platform for high-quality research dissemination, Zep Research enables individuals and institutions to engage in meaningful discussions about emerging trends, challenges, and solutions. The focus spans diverse fields such as tourism, hospitality, education, sustainability, and technology. By connecting experts, thought leaders, and innovators, Zep Research drives progress and fosters advancements that leave a lasting impact on both academia and industry.

Our Mission

At Zep Research, our mission is to facilitate the exchange of pioneering research, innovative ideas, and best practices across various academic and professional fields. We aim to create a collaborative environment where researchers, educators, and industry leaders come together to learn, inspire, and drive meaningful progress.

OBJECTIVE OF THE CONFERENCE

Our mission is to create an enriching platform that advances academic excellence, fosters global collaboration, and drives innovation across disciplines.

Foster Interdisciplinary Collaboration: The conference aims to create a collaborative environment where researchers from engineering, management, and social sciences can engage in productive dialogue. This cross-disciplinary interaction will help develop integrated solutions to address the complex challenges faced by societies worldwide.

Promote Knowledge Exchange: We strive to provide a platform for sharing the latest trends, research, and methodologies. Participants will have the opportunity to learn from each other, discuss emerging ideas, and stay updated on the most recent advancements in their respective fields.

Enhance Professional Development: Through a series of expert-led workshops and speaker sessions, the conference will provide opportunities for participants to acquire new skills, gain insights into emerging trends, and empower themselves to advance their careers in research, academia, and industry.

Encourage Global Networking: The conference will bring together professionals, researchers, and academics from all over the world, creating an ideal environment for building meaningful connections, establishing global partnerships, and expanding professional networks for future collaborations.

Facilitate Research Publication: We support researchers by providing a platform to publish their research in recognized academic journals and conference proceedings. This ensures that their work gains visibility, credibility, and contributes to global academic discussions.

Inspire Innovation and Solutions: By fostering an environment of creative thinking and problem-solving, the conference will inspire participants to generate innovative ideas that address real-world challenges. This focus on practical solutions aims to push the boundaries of research and drive positive change in communities and industries.

Why Attend 3rd ICEMSS

The 3rd International Conference on Engineering, Management, and Social Sciences (ICEMSS) offers a unique platform for knowledge exchange, collaboration, and innovation.

1. **Interdisciplinary Insights:** Gain fresh perspectives on global challenges by exploring the intersection of engineering, management, and social sciences. Discover how integrating these fields can drive holistic and effective solutions to real-world problems.

2. **World-Class Speakers:** Hear from leading experts and thought leaders in diverse fields who will share their insights through keynote speeches, interactive panels, and discussions. Their expertise will inspire you and broaden your understanding of interdisciplinary approaches.

3. Networking Opportunities: Engage with global peers, including researchers, industry professionals, and policymakers. Build valuable connections and expand your professional network to enhance future collaborations and career opportunities.

4. Innovative Workshops and Panels: Participate in hands-on workshops and dynamic panel discussions designed to provide practical skills, innovative methodologies, and actionable strategies for integrating disciplines.

5. Publication and Recognition: Showcase your research to a global audience and get published in conference proceedings. Selected papers will also have the opportunity to be featured in esteemed partner journals, enhancing the visibility and impact of your work.

6. Explore Cutting-Edge Technologies: Discover the latest technological advancements and solutions in the exhibition sessions. Explore how emerging innovations are being applied across engineering, management, and social sciences to solve complex challenges.

About Goa

Welcome to the 3rd International Conference on Engineering, Management and Social Sciences. Our state-of-the-art venue in the heart of GOA provides an inspiring environment for interdisciplinary discussions and collaborations.

SESSION AND TRACKS

1. EMERGING TECHNOLOGIES IN ENGINEERING:
- Artificial Intelligence & Machine Learning Applications
- Internet of Things (IoT) and Smart Systems
- Robotics and Automation
- Cyber Security and Block Chain Technology
- Digital Twins and Industry 4.0
- Smart Materials and Structural Engineering
- Advanced Manufacturing and CAD/CAM
- Thermal Systems and Fluid Mechanics
- Power Electronics and Smart Grids
- Embedded Systems and Microelectronics

2. SUSTAINABLE AND GREEN ENGINEERING:
- Renewable Energy Systems
- Green Building Technologies
- Waste Management and Circular Economy
- Climate-Responsive Engineering
- Sustainable Transport and Urban Infrastructure
- Tourism Management and Climate Change

3. STRATEGIC AND OPERATIONS MANAGEMENT:
- Innovation & Change Management
- Supply Chain and Logistics Management
- Quality Management Systems
- Risk Analysis and Crisis Management
- Business Process Reengineering

4. MARKETING, FINANCE, AND HR TRENDS:

- Digital Marketing and Consumer Behavior
- FinTech, Crypto currency, and Financial Analytics
- Behavioral Economics and Investment Strategies
- Talent Management and Remote Work Models
- Organizational Culture and Leadership
- Business Sustainability and CSR
- E-commerce and Business Analytics
- International Business and Globalization

5. SOCIETY, CULTURE, AND GOVERNANCE:

- Public Policy and Administration
- Gender Studies and Social Inclusion
- Ethics, Law, and Governance
- Media, Communication, and Society
- Globalization and Cultural Dynamics
- Educational Technology and Pedagogical Innovation
- Learning Analytics and Cognitive Development
- Mental Health and Well-being
- Inclusive and Special Needs Education
- Lifelong Learning and Skill Development

6. ECONOMICS AND DEVELOPMENT:

- Sustainable Development Goals (SDGs)
- Poverty, Inequality, and Social Justice
- Urbanization and Migration
- Environmental Economics
- Innovation in Rural and Regional Development

SUBMISSION GUIDELINES

All submissions will undergo a double-blind peer review process. Accepted papers will be published in the conference proceedings, with selected papers considered for publication in partner journals. Submissions should highlight the interdisciplinary nature of the work and its potential impact on addressing real-world challenges.

- Abstract length: 300-500 words
- Full paper length: 6-8 pages (including references)
- Format: IEEE conference template

Early Bird Registration
23RD JULY, 2025

Abstract submission
28TH JULY, 2025

DEADLINE

Full paper submission
08TH AUGUST, 2025

Registration
05TH AUGUST, 2025

TENTATIVE AGENDA

Day 1: 12th December 2025

Time	Program
08:30 AM – 09:00 AM	Registration
09:00 AM – 09:30 AM	Inaugural Function
09:30 AM – 10:00 AM	Keynote Speech (Session 1)
10:00 AM – 10:15 AM	Coffee Break
10:15 AM – 10:30 AM	Introduction to the Session Chairs
10:30 AM – 01:00 PM	1st Session
01:00 PM – 02:00 PM	Lunch Break
02:00 PM – 02:30 PM	Keynote Speech (Session 2)
02:30 PM – 05:00 PM	2nd Session

Day 2: 13th December 2025

Time	Program
09:00 AM – 09:15 AM	Registration
09:15 AM – 09:30 AM	Day 2 Opening Remarks
09:30 AM – 10:00 AM	Keynote Speech (Session 3)
10:00 AM – 10:15 AM	Coffee Break
10:15 AM – 10:30 AM	Introduction to the Session Chairs
10:30 AM – 01:00 PM	3rd Session
01:00 PM – 02:00 PM	Lunch Break
02:00 PM – 02:30 PM	Keynote Speech (Session 4)
02:30 PM – 04:00 PM	4th Session
04:00 PM – 05:00 PM	Valedictory Function

PUBLICATION SUPPORT IN JOURNALS

Services

- **Grammatical Corrections**
- **Proofreading**
- **Language Editing**
- **Research Paper Editing**
- **Plagiarism Correction**

- **Formatting**
- **Journal Format**
- **Research Paper Format**
- **Cover Letter**
- **Book/ Research Paper/ Thesis Review**
- **Thesis Editing**
